Daily Happenings at the Great Copper Camp.

Budget of Interesting Items from our Regular Correspondent.

> BISBEE, Nov. 17, 1896. COPPERINGS.

Mrs. Wm. Land and daughter returned home this morning after a visit of several days.

Sheriff Fly returned to Tombeton this meraing, followed by the usual string of mouraful looking faces.

Mr. J. V. Vickers of Tombstone and Mr. Morgan, a well known cattleman, were incoming passengers on the train this evening and will probably remain in our vicinity for several days to ook after their cattle Interests.

Mrs. Roberts and Mrs. Speed came n on the train this evening from their some down the river and expect to remain with us for some days visiting their friends and doing what they can to reduce the stock in the company

Mrr, Christenot, wife of the former yard-master at Benson who is at present employed on the A. and S. E. R. R. at this place, came in on the train this evening. Mr. Christenot has given up his position in Benson for good and intende to take up his residence in Bisbee for the time being.

Mrs. H. C. Frazer arrived among the incoming passengers this evening alter an absence of from Biebee of shout five months. Mrs. Frazer has been visising her son in Oregon and other relatives in both Washington and California. She has thoroughly enjoyed the change after her long residence in Bisbee, but is well pleased to se all her old friends once sgain.

M. J. Brophy left for Tombstone his morning in response to a summone. Mike is much put out about he matter as he was di-turbed at one d his very bu-lest times to appear as witness in an insignific out Mexican case ab ut which he knows nothing GROCERIES | whatsoever. These Mexican squabbles of our good people, and the sooner an example is made of some of them the setter it will be fer the town.

entiqueed but amusing election bets good people have not stopped laughng over it yet. It seems that Chas. Overlock and William Prichett, one of speedy carmen, made one of those elab-sided bets in which a wheelbarow and the main street of the town always play a most prominent part. Sir William was the unfortunate loser and in accordance with arrangements appeared promptly on Sunary afternoon to wheel his successful oppment about town in the wheelbarrow. The wheeling so itself was not such an unusual feature but some heavy joker managed to have the Birber band and also a number of our irrepressible kids on the ground, and between the many attractions a great deal of sport was devised. Charley's ride assumed the dignity of a triumphal march and about all the boarding houses in town suffered severely from the extra appetites of the crowd after their spell of hearty laughter. The Walderf, how-Game received once a week. ever was not effected by the increased rush as Otto is always prepared for such emergencies and always comes up smiling with plenty and to spare.

Two Lives Saved. Mrs. Phoebe Thomas of Junction City Ill., was sold by her doctors she had consumption and that there was no hope for her, but two bottles of Dr. King's New Discovery cured her, and she says it saved her life. Mr. Thos. Eggers, 139 Florida St., San Francisco, suffered from a dreadful cold, approaching consumption, tried without result everything else then bought one bottle of Dr. King's New Discovery and in two weeks was cured. He is naturally thankful. It is ruch results, of which there are samples that prove the wonderful efficacy of the medicine in coughs and colds. Free trial bottles at Tombstone and Bisbee deug stores, Regular size 50c and \$1.00 WINES, IMPORTED
